

Below is a parking lot lifecycle cost comparison between an unsealed parking lot and a sealed (preventative maintenance) parking lot.

Property Size: 50,000 Square Feet
 Assumption: 4% Annual Inflation | Replacement at Year 15 if Unsealed

Year	Preventative Maintenance Program	Line Striping Only Until Replacement
15 Years	\$55,899	\$333,030
20 Years	\$76,839	\$337,900
30 Years	\$163,519	\$358,058

Note: Figures do not include potential patching, pothole repairs, structural base repairs, or emergency maintenance.

Disclaimer: This lifecycle cost comparison is an estimate based on assumed inflation rates, pricing inputs, and maintenance intervals. Actual costs may vary due to market conditions, material pricing, labor rates, site conditions, traffic loads, weather exposure, and unforeseen structural issues. This document is provided for illustrative purposes only and does not constitute a guarantee of cost savings or future performance.
